

CNP's 100 Hour Outside Challenge

Use this 100 Hour Outside tracker sheet, thanks to 1000hoursoutside.com, to track your first 100 hours. One bubble is equivalent to one hour spent outside, with a goal of completing 10 tracker sheets in 2021; amounting to 1000 hours outside! For a PDF of this activity, as well as the other 16 CNP activities, check out CreativeNaturePlayschool.com Tag adventures with #OVunplugged and #1000hoursoutside on social media!
